

Montoya 2020 Monterey Sauvignon Blanc

APPELLATION

The Monterey American Viticultural Area (AVA) is one of Monterey County's top growing regions, with day-to-night swings of up to 50 degrees producing vibrant, lusciously flavored grapes. Grapes for Montoya wines were grown on our Monterey vineyards, giving us control over quality from the time the vines are planted until grapes are harvested. For our 2020 vintage, the grapes come from the Suter Vineyard in Monterey's Arroyo Seco AVA. This vineyard produces balanced grapes with ripe citrus and stone fruit characteristics.

Grape Sourcing: 100% Monterey

WINEMAKING

The grapes were harvested during cool night and early morning and cold fermented in 100% stainless steel with yeasts selected to emphasize tropical fruit notes. The wine was gently filtered and fined prior to bottling.

Varietal Blend: 100% Sauvignon Blanc
Alc. By Vol. 13.5%, TA 5.8%, pH 3.3

WINEMAKER'S NOTES

Ripe tropical, citrus and yellow plum aromas and flavors framed by light grassy notes carry through to palate with a refreshing, crisp finish

Suggested Pairings: A versatile wine, equally delightful with dishes ranging from oysters on the half shell to crab cakes; from fish tacos to endive salad with goat cheese.
