SYRAH

Crow Canyon produces wines with intensity and classical varietal fruit flavors. Sourcing from the finest vineyards, our winemakers strive to craft wines that are easy to drink and flavorful.

WINEMAKING APPROACH

Our winemaking team, led by Christophe “Cris” Legrandjacques, selects grapes from only the finest vineyards that capture true California varietal grape flavors. These lots are crafted into a wine that is bold, fruit-forward, and spicy. Appellation: 100% California

WINEMAKING

After harvest, the grapes were gently pressed and fermented in stainless steel under temperature-controlled conditions to preserve the crispness and ripe fruit flavors. The wine was aged in American oak and gently filtered and fined prior to bottling.

WINEMAKER’S NOTES

Our Crow Canyon Syrah is bursting with aromas of dark fruit and cracked black pepper that complement flavors of ripe plum and cherry, with toasty hazelnut and warm spice notes on the finish.

FOOD PAIRING

Pairs well with spicy BBQ chicken and grilled pork chops.
