

MUIRWOOD

SAUVIGNON BLANC

ARROYO SECO, MONTEREY | 2022

BACKGROUND

The Zaninovich family has deep farming roots, spanning nearly a century. Captivated by the raw beauty and exceptional potential of the undiscovered Arroyo Seco wine region of Monterey County, we pioneered vineyard planting in the early 1970's. Today, with four generations of California farming, we take a long-term perspective. We are inspired by the legacy of John Muir and share a belief in the importance of nurturing the land for generations to come

VINEYARDS

Located southeast of the Monterey Bay in the valley adjacent to the Arroyo Seco Creek, our vineyards benefit from growing conditions and soils not found anywhere else. We established vineyards in different growing areas within the Arroyo Seco AVA: Suter (1971), Zanetta Ranch (1988), and Wiley Ranch (1998). Each vineyard possesses its own unique microclimate and soils. These conditions are reflected in the flavor profile of the grapes. The majority of grapes for this wine are drawn from our Suter Vineyard.

WINEMAKING

Grapes were harvested during cool nights and early mornings, then cool-fermented in stainless steel to preserve the delicate aromatics and crispness. After a final blending, the wine was gently fined and filtered prior to bottling.

100% Sauvignon Blanc

TASTING NOTES

Floral aromas frame pear and lychee on the palate with subtle gooseberry notes and a crisp & balanced finish.
