MERLOT

Crow Canyon produces wines with intensity and classical varietal fruit flavors. Sourcing from the finest vineyards, our winemakers strive to craft wines that are easy to drink and flavorful.

WINEMAKING APPROACH

Our winemaking team, led by Christophe “Cris” Legrandjacques, selects grapes from only the finest vineyards that capture true California varietal grape flavors. These lots are crafted into a wine that is intense and bold, yet smooth and easy to drink.

Appellation: 100% California

WINEMAKING

After harvest, the grapes were gently pressed and fermented in stainless steel under temperature-controlled conditions to preserve the crispness and ripe fruit flavors. The wine was aged in American Oak, and lightly fined and filtered prior to bottling.

WINEMAKER'S NOTES

With great fruity intensity, Crow Canyon Merlot is packed with black cherry and berry flavors complemented by toasty oak notes and a soft, supple finish.

FOOD PAIRING

Pairs well with grilled vegetables and spicy fajitas.
