

OCNAUTIC

RED BLEND 2023

VARIETAL:

62% Cabernet, 24% Petite Sirah, 14% Zinfandel

SOURCE:

Paso Robles, Shandon Vineyard

WINEMAKING NOTES:

Harvested at night. Extended skin contact during pressing maximized color extraction. Free Run was separated by varietal with secondary fermentation occurring in barrel. Cabernet went into new & seasoned French Oak, Petite Sirah aged in neutral French Oak, and Zinfandel was treated with new American Oak barrels. All components aged for 11 months, then combined into final blend.

TASTING NOTES

Opens with aromas of dark chocolate and dark berries; black cherry pie on the palate with mocha characteristics, finishing with hints of blueberry. Rich and complex.

RELEASE:

August 2024
